

Keys Group is an independent, locally owned and managed group of Finance Company's offering a diverse range of solutions:

- A boutique Finance House, specialising primarily in working capital and cash flow solutions
- A comprehensive offering that will fund the full business cycle, from purchase through delivery to sale with sound cash flow management support throughout
- A fully 'blended' asset based finance company where all funding needs can be truly tailored to your business demands, utilising all the assets within your balance sheet
- First class service with local decision making and a management team who understand the challenges of running business in Northern Ireland

Insurance Premium Finance

This facility is offered to insurance brokers and their customers.

We enable customers to pay annual insurance premiums in easy monthly payments.

All classes of insurance can be financed, with repayment schedules tailored to suit specific needs.

We provide each broker with a package designed to suit them, not their competitors. We can tailor rates, settlement terms and over rider payments to suit each broker.

Professional Fee Finance

This facility is offered to professional practices and their customers.

- Accountancy / Audit Fees
- Legal Fees (Including disbursements)
- Consultancy Fees

Benefits to client:

- Assured cashflow
- Flexible short-term repayment schedule

Benefits to Practice:

- Predictable cash flow
- Enhanced client relationship

Our Professional Fees Finance facility will improve your cash flow and open an alternative funding source from a bank overdraft.

Invoice Finance

Invoice Finance provides funds in advance against your debtor book.

Instead of having to wait for up to 60 or more days for your debtors to pay, Invoice Finance will provide up to 80% of their value immediately, freeing up cash flow to seize business opportunities available.

Benefits to your business:

- Domestic & Export trade financing
- Confidential or disclosed facilities available
- Sales driven product
- Grows with turnover
- Improved balance sheet structure

Credit Control Services

A service for any business that sells goods or services on credit terms. The service can be 'white labelled' and tailored to suit each client.

Benefits

- Allows you to focus on your core business activities while we collect the debts on your behalf
- Enhance cashflow
- Improved debt turn which thus reduces the amount you have to borrow
- Costs can be neutral as expenditure can be reduced in relation to finance and staff
- Reduction of bad debt risk

Asset Finance

We can assist with finance for many types of Business Assets. Facilities are available for:

- Catering Equipment
- Industrial Machinery
- Office Equipment
- Telephone Systems
- Excavators
- Agricultural Machinery
- Printing Equipment
- IT

Terms of 1 year to 5 years
Lease or Hire Purchase

Trade Finance

Trade finance, also known as purchase finance provides funding for companies to pay suppliers for the purchase of finished goods, normally against confirmed orders.

This is a method of structuring your purchases that will release valuable cash for your business, with out tying up valuable security.

Benefits:

- Rapid access to funding
- Potential for straight line early payment or bulk discounts
- Structured as an off balance sheet cost of sales
